Many times families call & ask if there is anything that they can donate to our department. We can always use help with craft supplies, chalk, markers, pencils, colored pencils, three hole punch, electric pencil sharpener, glue, buttons, google eyes, scotch tape, duct tape, colored paper, drawing paper, Lego's, Lincoln Logs, cooking aprons, plastic table clothes, board and table games such as chess and checkers and backgammon. Bungee cords, tape, paper and a canister vacuum cleaner.

The fall is a good time to check your cellar, attic, and or garage for those items which are no longer used, and are looking for a new home. Give us a call if we can help you out!

## Who We Are and What We Do

The Recreation Commission is comprised of Marshfield residents, seven full members and two alternates, who are appointed by the Marshfield Board of Selectmen. The Commission is a policy and active board responsible to the town for providing year-round, high-quality indoor and outdoor recreation activities for town residents. The Commission meets regularly to review policy, programs and procedures. Community attendance and input regarding programs and facilities is welcome! The Recreation Commission welcomes volunteers who are interested in promoting the planning of programs for all Marshfield residents. Call us at (781) 834-5543 to see how you can help!

So what does this really mean and what am I getting my self into? The Commission typically meets one Wednesday night per month. The meetings are scheduled to start at 7:00 p.m. and the goal is to complete all business by or before 9:00 p.m. At times the Commission may meet more often, if we attend a Board of Selectmen's meeting, or in preparation for the annual Town Meeting.

Commission members are welcome to help at our special events, such as the annual Easter Egg Hunt, Concerts on the Town Green, and Sand Castle/Sculpture Contest. Commission members may act as a liaison between our board and another town board such as Open Space or Community Preservation Committee. Members may attend a meeting and report back to the commission. Members are often a point of contact for residents as they may offer program suggestions. Members are appointed by the Board of Selectmen, typical terms are for a three year period.

We have a good and varied board. Stop by one of the meetings and see us inaction.

Questions? Call the office and ask to speak with Ned Bangs

Interested individuals should forward a letter of interest to:

- \*As we head into the fall, our programs continue to expand as we respond to the varied interests and needs of the community. Based on the success of our summer pre school programs we will offer a variety of enrichment programs for children age 2 to 5. We will continue with our partnership with the Marshfield Public Schools as we offer parenting programs for children under age 5, 4, 3, 2, and 1.
- \* The Recreation Department office is located at 900 Ferry Street, (the bottom of Coast Guard Hill). We continue to offer a variety of exciting programs to the community. Look for additional programs for pre school and school age students, teens, adults and seniors this fall. We are pleased with the success of our Community Chair Gardens. The Horseshoe, Basketball and Volleyball Courts receive regular play. Our small multi purpose practice field has been well received. The field measures 200 x 100 feet and is perfect for practice or as a game field for younger children. We will continue to work with the DPW, CPC and other groups to improve our community facilities. This fall we look forward to partnering with community groups to improve our community street hockey rink, and community playground. We are pleased with the security cameras that have been installed on the property. The cameras are working and are monitored by the Marshfield Police 24/7. Individuals who damage or vandalize the facility / property will be prosecuted to the fullest extent possible.
- \*The Recreation Department, in partnership with the Marshfield Public Schools and the Old Colony YMCA, combine to offer expanded before and after school child care opportunities for students in grades K - 5. The Recreation Department offers an on-site extended day program at the Daniel Webster Elementary School. Students who attend off site schools are bused to the Daniel Webster School. Full day vacation clubs are offered to the community (grades K - 5) during school vacations.
- \*The Uncle Bud Skate Park has been an overwhelming success. We were pleased that Town Meeting voted funds to allow us to make additional improvements to this community facility. The skate plaza, and performing arts stage will allow for expanded community programming including: music, theatre, debates and more. The park will provide a safe area for children, teens and adults to skate and improve their abilities. Look for expanded skateboard lessons next summer!
- \*Eagle Scouts and community volunteers continue to assist in enhancing our recreation facilities at Coast Guard Hill. We promote recycling and composting with our community gardens, and we partner with local organizations to help improve all of our community facilities and programs. Members of the North River Community Church helped to clean up the Community Playground and Recreation Center grounds. We look forward to developing a partnership in the future. Call to see how you or your organization can help!
- \*Join us this fall in one of our many programs, trips or special events. Take a walk up Coast Guard Hill or try out the outdoor sand volleyball, horse shoe and basketballs courts. We are pleased to offer a variety of trips including planned trips to Vermont and New York City for the Rockettes. Additional trips may include Boston Celtics basketball, and Disney On Ice. Come with your friends or come alone and make some new friends!
- \* Many of our programs and outings are the direct result of community input. Suggest an activity or better yet offer to teach a new program or class!
- \*Recreation Volunteers - We would like to thank some of the volunteers who are helping to keep our facilities clean and safe. The Plymouth County Trial Courts, Office of Community Service, visit on a regular basis to help maintain our many outdoor facilities. We look forward to forming new partnerships with the Marshfield Public Schools, Early Childhood Program, and H.S. ASD Program as we expand programs to individuals with disabilities. Contact us if you are able to donate an hour or two a week to help maintain our vegetable, rain and flower gardens or other community recreation facility or if you wish to plant in our Community Green House. The Recreation Commission has two openings. If you are interested in helping to promote recreation for all ages and abilities let us know.
- \*Want to learn more about the Marshfield Recreation Department, our programs, opportunities, and plans for the future? Our staff are available to address your group or organization in order to share our vision.
- \* Have a great fall and remember, “Don’t Hesitate, Recreate!”

*Sincerely,*

***Ned Bangs, CPRP  
Recreation Director***

# **MARSHFIELD RECREATION WHO WE ARE AND WHAT WE DO**

The Marshfield Recreation Department was established by Town Meeting in 1958 with the purpose of conducting and promoting recreation, play, sports, and physical education. The Recreation Department plans, organizes, promotes, and provides worthwhile leisure programs and facilities to serve the physical, emotional, and social needs of the residents of our community, regardless of one's ability.

The Recreation Commission is comprised of Marshfield residents, seven full members and two alternates, who are appointed by the Marshfield Board of Selectmen. The Commission is both a policy and active board responsible to the town for providing year-round, high-quality indoor and outdoor recreation activities for town residents. The Commission meets regularly to review policy, programs and procedures. Community attendance and input regarding programs and facilities is welcome! The Recreation Commission welcomes volunteers who are interested in promoting the planning of programs for all Marshfield residents. Call us at (781) 834-5543 to see how you can help!

Better utilize, protect, preserve, and beautify Marshfield's beaches.

Set up new programs as self-supporting and explore ways of generating additional revenue through grants, donations and fundraising.

## **RECREATION STAFF**

Recreation activities are coordinated through our office staff, which is comprised of one full-time director and one part-time administrative clerk.

Our department presently uses job applications, personal interviews and reference checks as part of our screening process. The C.O.R.I. will further assist us in screening prospective employees.

In all instances we will do everything possible to provide a positive learning experience and offer a safe, secure environment for your child. The Recreation Department strives to offer community programs which are within budget limitations. All Recreation Department programs are self-supporting. We established a pre school organic vegetable garden and using the rain that is collected in our many rain barrels the children water our vegetable and butterfly gardens. Storm Water run off is addressed through our Rain Garden. We compost, and our Blue Berry Bushes, and Apple Trees continue to thrive. Our solar panels work well. If you want to see how much energy our solar panels are producing, (google [www.powerdash.com/systems/1000063/](http://www.powerdash.com/systems/1000063/)). This fall call and ask how you can plant veggies in our Community Garden and Hoop Hut Green House!

Marshfield has a leash law and for the safety of all we remind individuals to follow the law when visiting Coast Guard Hill. “No dog shall be allowed in any public place or any lands, beaches or way within the town unless it is effectively restrained by a chain or leash and under the direct control of its owner or handler,” adopted by Article 37, 1990 ATM. Please be a good neighbor and clean up after your dog. CGH is open from Dawn to Dusk.

## **SOMETHING FOR EVERYONE!**

8

The Marshfield Recreation Department offers programs, trips and special events year round. Our Community Online Brochure is published seasonally and provides information on our Fall, Winter/Spring and Summer programs (September, December, April). Save time and Go Green by registering for programs on-line! To locate the brochure on our website, google Marshfield Recreation. Additional program information is published in the Patriot Ledger, and Marshfield Mariner. We use school notices, and post information at Shaw's, Denny's Barber Shop and Ventress Memorial Library and the Senior Link.

## **VOLUNTEERS / INTERNS**

Volunteers assist in the office and may help with phone calls, program inquiries, marketing, fundraising and the business aspects of the department. Our site at Coast Guard Hill has many outdoor opportunities for volunteers, including gardening, masonry, landscaping, grass trimming, etc. Consider sharing your time, skills and knowledge with your local recreation department. A few hours a week can make a difference! Students seeking community service hours or community groups/organizations or individuals are encouraged to discuss how they may improve community programs/facilities through partnerships.

One person *can* make a difference — *you* can make a difference!!

## **DON'T LET A GOOD PROGRAM DIE!**

Nothing kills a good program better than putting off registration until the last minute. All Recreation Department programs require a minimum number of participants to run successfully. Our programs require a high level of coordination including facility scheduling, staffing, and volunteer recruitment. Undersubscribed programs will be cancelled, but you will receive a full refund. So don't procrastinate — participate!

What do you get when you combine badminton, tennis and ping-pong? Pickle Ball of course!

The history of Pickle Ball began with the familiar summer whine that often causes parents to take drastic measures. In the summer of 1965, the "I'm bored" mantra was chanted by the children of two families on Brainbridge Island in the Puget Sound area of Washington. Two desperate dads, Bill Bell and Joel Pritchard, invented a game. Though Pickle Ball is played by all ages, it has found its niche in grade school PE programs and senior retirement centers. The first national tournament was held in at a retirement community in Florida that had 36 courts. Pickle ball has found its way into senior games competitions in several states. Pickle Ball can be played indoors as well as outdoors.

Pickle Ball is the fastest growing sport in the USA. Come and check out this fun sport and met some new friends.

Locally Pickle Ball is played in several Cape towns, and Marshfield. Google Pickle Ball for more info on this fun sport.

### **Ned Bangs**

Every day we make difficult decisions, one door closes and another opens. I would like to express my gratitude to the town of Marshfield for taking a chance on me. I have been fortunate to be able to work here; I feel that I have had one of the best jobs around. I remember my freshman class, History and Philosophy of Recreation; my professor informed us that we should be prepared for a career which includes nights, weekends and holidays. Truer words were never spoken.

We have witnessed many changes, from typewriters and pagers to seasonal community brochures, online registrations, cell phones, email and texting. Our office grew from a small 3 x 6 space with one window and no heat to our site at Coast Guard Hill, with a/c, ballfields, gardens, green house, sledding hill, sand vb courts and the best view around from the top of Coast Guard Hill.

Parks and Recreation has the capacity to touch every person, whether a small child or aging adult, whether a new resident or lifelong community member. This has not been a job, but rather a way of life for me. Our profession has the unique opportunity to influence the lives of an entire community, this is what excites me.

Working together, we established a variety of community programs and traditions, I will cherish these memories and the many co-workers, volunteers and families we worked with.

### **Craig Jameson**

Please welcome Craig Jameson as the new Marshfield Recreation Director. Craig is a New Hampshire native and a graduate of Endicott College with a BS in Sports Management. Craig has experience with coaching, fundraising, YMCA's (Before and After School Site Director) directing summer camps, pre-school, teen and vacation programs, field trips and more. Craig is a Marshfield resident and most recently worked as the Athletic Director at the Boy's and Girl's Club of Marshfield. As the Athletic Director Craig developed programs and activities for pre school children to adults.

Craig has related social media experience, look to an increased use of these skills as programs are promoted on Facebook, youtube, twitter and more.

Please help me welcome Craig to the department!!

Sincerely,

Ned Bangs
